

THE BUZZ

ISSUE 54

JULY/AUGUST 2018

Dear Buzz Readers,

Our **Revel Week** is due to run from Sunday 29th July to Saturday 4th August. Kacie Greening is our new Queen and she will be crowned on Sunday 29th July.

This issue of The Buzz has full details of what events are happening during our special village week and hopefully this will enable you to make preparations for it.

Under the **new data protection regulations** I require your permission to print such things as your names, addresses and dates of birth in The Buzz. So I ask that if you no longer want these things printed please let me know.

Many of you will be aware that the Village Hall Committee are applying for **further funding to replace our village hall roof** – making it more attractive and fit for the future. We are carrying out a consultation to find out how people use the village hall now and what people would like to see in the hall in the future. This will be used as evidence in our funding application. The questionnaire can be found in this Newsletter. Extra copies can be found at the Village Hall or are available from Sheila Cholwill 01288 381350 and Chris Hitchings 01288 381129. The survey is also available on-line <https://www.surveymonkey.co.uk/r/Bridgerule>

There will be a small team of people coming around the village on **Monday 9th July** to ask residents a few questions about the Village Hall and the local needs of Bridgerule. Where possible we will also be able to pick up any completed questionnaire forms.

New Computer Service at the Village Hall

A new **Computer Help** service is being provided at the Village Hall and will start on Wednesday 11th July and Wednesday 25th July commencing at 10am until midday. The service is to provide Computer help, support and advice to those who have a need for system understanding, training, computer repair, software development or any other computer related issue. The first session will focus on **Internet Security** and how to **Speed Up** your computer as these issues have proven to be of concern to many residents.

On May 1st, Microsoft released an upgrade to the windows 10 program. This upgrade is in excess of 3 Gb of data and has already caused several problems for local residents. Users on a restricted data allowance may find they exceed that allowance incurring "out of plan" penalty charges. To help avoid this charge, Nofix-Nofee Computer Services will provide a DVD with the relevant upgrade ready for external installation, this upgrade will only work on machines which have Windows 10 presently installed with a digital key-code, it is not free Windows 10 unlicensed software.

There has also been an increase in Tracking Software, these monitor all your computer activity, even after you have closed the browser down and send that information to a server somewhere in the world, which will then be sold to a 3rd party and/or used to steal from you.

NB: A new computer help column will also be published in the Buzz and will answer all queries and provide handy computer tips email: buzz@nofix-nofee.net

**WALKED 65 CONTINUOUS MILES
FOR LOVED ONES NO LONGER HERE!**

Spring Bank Holiday Weekend saw **Paul and Stacey Cholwill** together with 7 of their good friends travel to The Isle of Wight to take part in The Isle of Wight Challenge; walking continuously for 65 miles around the island all in the name of charity.

Paul and the rest of the group were walking to raise funds for Cancer Research. Remembering the late Carrie Short who sadly lost her fight with the disease last year.

Stacey was walking to raise funds for British Heart Foundation in remembrance of dad, Geoff, who too had passed away very suddenly 2 years ago.

In total they raised the fantastic sum of over £8700.

They finished it in 28 hours averaging about 4.32 miles per hour.

Stacey had just one blister at the end. Paul, well a different story.

This is the third time Paul has completed the challenge.

His words are Never, ever again and I think he means it this time!!!

The Home Library Service is delivered by the Royal Voluntary Service (who some may still recall as the WRVS) on behalf of Devon Libraries. Out around 37 of the 50 libraries in Devon teams of volunteers with a co-ordinator lead deliver books to over 300 'readers' in the county. Despite this number I remain convinced there are people who are lonely and isolated and could use our service yet don't know about it. We deliver to those who through ill health, mobility issues, or caring responsibilities cannot get to the library, this may be a temporary arrangement or more long term. I have visited libraries where I have met someone who uses the service, however due to their illness feel fit enough some days to visit whereas on others they would struggle. It may be they cannot carry books back or can order on line but cannot collect them. We can provide that service.

The service is completely free, there are no fines incurred and no cost to ordering books. Provision can be of large print, normal print, audio books or cd's if it is music you prefer.

COFFEE CLUB

Mr Philip Rodda, a director of the well known Rodda's Cream recently visited The Village Coffee Club . Members watched

a dvd of how this family business began and how the different processes of producing items has changed in modern times.

After watching this Philip answered various questions put to him about his family business. He then very generously gave members items that are made to take home with them. In return members gave a donation to a Cornish Charity that Mr Rodda supports.

QUITE A FEW RESIDENTS WALK THEIR DOGS AS A SHORT CUT THROUGH THE GREEN.

IT WAS PROVEN A FEW WEEKS AGO THAT SOME ARE NOT BEING RESPONSIBLE FOR PICKING UP AFTER THEIR PETS .

THE GENTLEMAN WHO CAME TO CUT THE GRASS AREA WAS VERY FORTUNATE THAT SOMEONE WAS ABLE TO HELP HIM GETCLEANED UP.

IN ANOTHER INSTANCE SOMEONE COULDN'T BE BOTHERED TO PUT DOG POO IN A BIN JUST 6' AWAY.

PLEASE BE A RESPONSIBLE DOG OWNER!

COFFEE
CLUB

The Coffee Club members and friends travelled to Babbacombe and an old converted cinema purchased in 1987 and now called Bygones. When you walk into Bygones you are transported back in time over 120 years to the reign of Queen Victoria. Members wondered back in time and saw a vast array of authentic items in period display rooms. It also houses a 27 tonne railway engine purchased from Falmouth Docks.

NEIGHBOURHOOD WATCH NOTES

Are you becoming used to the fortnightly rubbish collection? Not everyone is yet. In the parish it's July 6th and 20th, then August 3rd, 17th and due to the bank holiday, September 1st.

Why do I point this out?

How many of you throw stuff away with names, addresses and other vital information all waiting for the wildlife to expose it to the lowlife?

Just be careful - shred or burn if you can. It could stop someone else pretending to be you.

Even worse than a scam that only asks you for your bank details.

So, enjoy our summer. Did you go to the Bridgerule Open Gardens in support of the Devon and Cornwall Air Ambulances?

I hope you enjoy the Revel Week.

Don't forget to lock up doors and windows as you go out.

There's always someone somewhere (even if not in Bridgerule) looking for a way in to pinch stuff.

Take care - it's yours - keep it.

John McDougall
